Dear Mrs/Mr,

You will find enclosed the document that recognizes the competence of the laboratory of Instituto Tecnológico del Plastico **(AIMPLAS),** to validate the following functions:

TESTING PRESTATION

In accordance with the "*Rule for assessing supplier competence in measurement, testing or calculations"* ref RPIFMESUR20150008, this recognition of competence is granted for **three years** and **is effective at this letter reception**.

At the end of this period, a renewal audit of the laboratory and/or round robin tests as well as a re-assessment of all the activities of your company will be carried out in order to extend this recognition.

Yours sincerely.

For the Material Engineering Department

MOYANO ARRANZ RUBÉN

Material Engineering Department.
REP-MA RTS- VLL

Notification
Recognition of supplier competence

Activity: Laboratory test

Date: 18/06/2024

Technical report reference: **REP-MA_RTS_P_2024_00032903**

Company**: AIMPLAS** Site: **PATERNA (VALENCIA)**

Functions	**Standard documents**
Testing Prestation	See appendix

In accordance with the "*Rule for assessing supplier competence in measurement, testing or calculations"* ref RPIFMESUR20150008, relating to the functions above, we recognize the competence of the **AIMPLAS**

This recognition concerns the standard documents mentioned above and is applied for the test methods listed in the appendix.

This recognition of competence is granted for three years and is effective at this letter reception.

The test methods that are not mentioned in the appendix have to be sub-contracted to laboratories recognized by RENAULT.

You are reminded that this recognition of competence is granted for three years**.** At the end of this period, a re-assessment of all the activities of your company, relating to the present notification, will be carried out.

This recognition applies with immediate effect.

Signed original
